

Instructions for Weekend Program Registration

1. **Contact info:** Please fill in as much contact information as possible. Cell phone #'s and email addresses are very important for Club communication.
2. **Athlete info:** Please give detailed athlete information. For most competitive programs, Date of Birth will determine what group an athlete will compete with.
3. **Program Fees:** The individual discipline fees shown cover coaching for weekends and holiday periods starting December 1st and ending March 31st.
Multiple sibling discount: There is a \$50 discount off the seasonal registration cost for additional siblings.
Mid-Week Training: For season long mid-week coaching, there is an additional fee of \$600 non-weekend program members and \$400 for weekend program members. Mid-week fees cover coaching opportunities on Tues-Thurs afternoons and all day Friday (Friday Club). Folks can also pay "per day" at a rate of \$50/full day, \$30 half day.
Cost Sharing: Please note that cost sharing for coaching expenses will be necessary for mid-week competitions, overnight competitions, and post season events/competitions.
4. **Late Fee:** There is a late fee of \$100 for registrations received after October 15, 2011. Please help us with staffing and resource allocations by returning your registrations as soon as possible.
5. **Club Insurance and Cubby fees:** These fees are included in the Weekend Program pricing.
6. **Family Membership:** All Weekend Program athletes must be part of a "family membership" to the Bromley Outing Club. Please fill out the Bromley Outing Club membership form. Family membership is \$50.
7. **Donations:** Donations to the BOC are greatly appreciated. The BOC is a non-profit 501(c)3 organization
8. **Volunteer Exemption Fee:** Our Club operations require a large volunteer effort. We ask each family to donate (2) volunteer days throughout the season. If folks do not wish to be part of the volunteer pool, they can opt out for the \$200 volunteer exemption fee. We will do everything possible to make volunteering an enjoyable and rewarding experience. Please check the website, www.bromleyoutingclub.com, for volunteer needs listed under the "volunteering" button at the top of the home page.
9. **Payment:** Payment by check is preferred to avoid credit card processing fees. We do accept Visa and MasterCard. If paying by credit card, please print cc# neatly at the bottom of the registration page. Please include card expiration date and the 3 digit crv number on the back of the card.
