

WE NEED YOU

(sign up here)->

...to earn free lift tickets while having fun!

Come join the Bromley Outing Club and share skiing and snowboarding with kids from your community! Two ways to help and earn lift tickets – details below. Call us at (802) 824-6498 or email alexia@bromleyoutingclub.com

Ski or snowboard volunteer instructor:

Volunteers are asked to commit to teaching a group of local students each week for the JISP season which is 8 weeks long. JISP runs Tuesday through Friday in the afternoon. You may pick which day works best for you or you can pick multiple days. The more you volunteer, the more lift tickets you earn! Can't commit to the entire season? We have substitute positions available as well.

Volunteers will need to be able to ski or snowboard. Nobody needs to be a pro, but the basics are required. All instructors must participate in one JISP instructor training clinic – there are four dates in December and early January to complete this half-day class.

The focus is safety, fun and having the kids improve their skills even if it's just through repetition.

On-Snow Coordinator:

This volunteer job is an outside job. You will be responsible for helping children who have been separated from their group due to bathroom breaks etc.... and wait with them until they meet back with instructor. Helping make sure kids are with their group and skiing/snowboarding on their own.

The Benefits:

You will receive a ticket for each day that you teach to access the lifts during lessons as well as afterward on that day. You will earn a transferable credit which is worth one Sunday thru Friday (non-holiday) ticket and Saturday/Holiday period tickets require two credits in exchange for a lift ticket. Earned credits expire at the beginning of the following season's Christmas holiday period.
